Our History is in Our Hearts

Our Future is in Your Hands

We are blessed to live in a growing and vibrant Jewish community. By creating Atlanta Jewish Academy, the first preschool through 12th grade Jewish school in Atlanta, we present significant opportunity for the school itself and for the greater Atlanta Jewish community. We have created a seamless educational environment that ignites passion, equips our children with life skills, and challenges them to reach their potential—not only educationally and spiritually, but also physically, so that they can become productive, responsible, and compassionate members of the Atlanta Jewish community and the greater Jewish community worldwide.

AJA is now a reality. Our new upper school doors are open! Now we must finish our campus plan and build our competition gym. It will be a landmark on the site and a highlight of the new campus. It will feature a competition basketball court, two volleyball courts, a wrestling room and weight room, men's and women's locker rooms, visitors lounges, the athletic director's office, and a snack bar accessible inside and outside from the field.

Our \$3.5 million goal for our gymnasium is in site, but we cannot do it without you. Make your gift today and take pride in the knowledge that you are ensuring every student is developing a healthy mind and body at AJA.

With gratitude,
Ian Ratner
 Campaign Chair
